Note of Appreciation

The Board of Selectmen, on behalf of itself and the citizens of the Town of Chichester, wish to take this opportunity to thank the Volunteer Tax Map Committee, namely Douglass Hall, Betsey Halvorsrude, and Kenneth Knight for the dedication and for the many hours spent in securing a contract for Tax Map work for the Town of Chichester. Their concentrated efforts saved the Board of Selectmen many hours of work and thus resulted in obtaining a contract that will be a big savings to the Town in this project.

The Board also wishes to thank the Chichester Improvement Committee for their contribution of three tables to be used and kept in the Town Hall. This committee was dissolved during the past year and the Town appreciates their labors in the past.

TOTAL CALLS	62

This year your fire department responded to 23 calls more than last year. Thru quick response and efficient fire-fighting we have been able to keep our losses at a minimum.

The Capitol Area Dispatch Center that we voted to join last year has proved to be a valuable tool for the town. With this service our reponse time for getting men and equipment to a scene has been greatly improved.

The fire department canvassed the town and gave out telephone stickers with instructions on how to report an emergency. We also gave out rescue stickers to be put on doors to designate if there was an invalid in the house and child stickers to be placed on their bedroom windows.

We also sponsored the Swine Flu innoculation program. It's success can only be attributed to the townspeople and the many volunteers affiliated with the clinic.

Many hours were spent in training both in and out of town. Our training program consists of local training and training with the Suncook Valley Mutual Aid and the Capitol Area Mutual Aid. Also practical and class room work at Laconia Technical Inst., Laconia Training Grounds. Keene State College and the Meadowood Training Grounds. With such training and knowledge you are bound to get a good and efficient firefighter.

The Fire Dept. Emergency Medical Squad has had numerous calls this year. We presently have 4 E.M.T.'s with other members in training. You need not be a member of the Fire Dept. if you would like to join this group.

At this time I want to thank the Selectmen and you, the taxpayer, for your cooperation and assistance this past year.

To my officers and firefighters, a very sincere thanks for your response to fires, drills and other calls. Most important, I want to extend my thanks to the wives, girlfriends and families of all the officers and firefighters for their patience and understanding for the many hours they were left alone and dates broken when the alarm sounded. Unfortunately, it will probably get worse before it gets better.

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

REPORT OF THE CHICHESTER LIBRARIAN

The year 1976 has been a busy and fruitful one for the Library. On Town Meeting Day, the Trustees and Friends held a food sale and during the summer months we held a Flea Market and Book Sale with proceeds going to the building fund.

The following kind and generous Friends contributed books, both fiction and non-fiction: Linda Williams, Epsom Library, Peter Sanborn,Billy Clark, and Kay Shaw. Isabelle Nickerson donated childrens books and two stuffed animals in memory of Margaret Schneider. The Pittsfield Womens Club donated the book "New Hampshire" by Frederick Pratson in memory of Mrs. Thelma Daniels. Many childrens books were purchased from monies donated to the Thelma Daniel's Memorial Fund. The books were formally dedicated on November 13, 1976 by her daughter, Mrs. Betty Towle. Mrs. Ruth Blackman Caskey again donated money for the purpose of purchasing quality books we could not afford on our limited budget.

Our Branch Library, operated by Mrs. Varney in her store loaned out over 500 books in 1976.

The Book Buying Committee went to Cambridge, Mass. again this year, adding over 200 new additions to our shelves.

We were deeply saddened this year with the death of two of our faithful Friends, Doreen Bates and Jeanne Stowe. Both will be greatly missed.

We have added several new Friends to our old family, Mrs.Janice Yeaton, Mrs. Pat Nelson, Mrs. Carol Knight, Mrs. Cathy Edmunds and Mrs. Margaret Smith who join our regulars of Mrs. Betty Myers and Mrs.June Hatch.

A special thank you to all who have labored this past year.

Mrs. Sylvia Dane, Librarian

D. PURPOSES, PERMITTED USES AND SPECIAL EXCEPTIONS

District OSW
Conservation - Open space - Wetlands

Purpose. To reserve those areas of wetlands, including poorly drained and very poorly drained soils, marshlands, flood plains and streams as mapped on Merrimack County Soil Survey, issued June 1965, for primarily conservation, agriculture, forestry, wildlife scenic, and recreational purposes. No residential uses or permanent housing of domestic livestock will be allowed in this district.

Permitted uses. Farming and forestry, including sale of products produced on the premises, wildlife management and improvement measures. Public and private open space and recreational uses, including camping and tenting areas as a private use.

Special exceptions. Public utilities facilities, portable sawmills and commercial camp grounds.

District OSS
Conservation - Open space - Steeplands

Purpose. To reserve from intensive development those areas of steep slope (over 15%) and related soils limitations, as mapped in the Merrimack County Soil Servey, issued June, 1965, for primarily conservation, agriculture, forestry, wildlife, scenic, and recreational purposes. These areas shall serve as open space and natural areas to protect the scenic qualities and watersheds of the town from encroachment. Residential uses shall be limited to one dwelling unit per ten acres.

Permitted Uses. Farming and forestry, including sale of products produced on the premises, wildlife management and improvement measures. Public and private open space and recreational uses, including camping and tenting areas as a private use and home occupations.

Special exceptions. Public utilities facilities, portable sawmills, and commercial camp grounds.

DISTRICT RA
Rural - Agricultural

Purpose. To provide areas suitable for developement within the limitations of the soils to accomodate individual on-site water supply and sewage disposal systems, to preserve the rural character of the community, and to protect the better agricultural soils from intensive development. Miniumum lot size for single family residential uses shall be five (5) acres, with minimum road frontage of 300 feet.

Permitted uses. Farming and forestry, including sale of products produced on the premises, single family dwellings, accessory uses and buildings, home occupations, recreational building and lands.

Special exceptions. Public utilities facilities, sawmills, two family dwellings, places of assembly, public and private community buildings.

DISTRICT R
Residential

Purpose. To provide areas of well-drained soils suitable for development as residential units.

Permitted uses. Single family dwellings, farming of land including keeping of livestock or poultry for personal use, home occupations, sale of products produced on the premises, management of land for forestry and wildlife, recreational buildings and lands, accessory uses and buildings.

Special exceptions. Public utilities facilities,two family dwellings, animal husbandry and keeping of poultry provided that all such use shall not be offensive or unsightly, as determined by the Board of Adjustment, Nursing and convalescent homes, places of assembly, public and private community buildings.

District CI
Commercial - Industrial

Purpose. To concentrate commercial and industrial growth in those areas which have the best access to major transportation corridors and which can best serve the overall interest of the community.Industrial uses shall have a minimum lot size of three (3)acres and a minimum frontage of 300 feet.
Commercial uses shall have a minimum lot size of two (2)acres and a minimum frontage of 200 feet.

Permitted uses. All uses allowed District R - Residential.

Special exceptions. All special exceptions allowed District R - Residential and Commercial and Industrial development permitted only after approval by the Planning Board of plans showing that traffic and parking considerations meet with Town and State standards.

GENERAL PROVISIONS

HOME OCCUPATION:

Any home occupation such as an art studio, hairdressing,woodworking,

nursery school, automotive and farm equipment repairs, antique shop, or the professional office of a physician, lawyer, engineer,consultant or similar activity, shall be permitted as an accessory use if it complies with the requirements of this section as defined below:

1. The home occupation shall be carried on by a member of the family residing in the dwelling unit only. Two employees who are not part of the family are permitted.

2. The primary activities of a home occupation shall be carried on wholly within the principal or accessory structure.

OBNOXIOUS USES:

Land shall not be used in any manner that is noxious, offensive, or detrimental to the public or to owners or occupants of adjacent property or prejudicial to the general welfare of the community.A public hearing by the Board of Adjustment is required before such use is prohibited under this provision.

SIGNS:

"Signs shall be limited to on-site locations only and to one (1) per business enterprise. Any sign shall not exceed 32 square feet of area and no sign shall endanger driving on the public roads, either by placement or by excessive glare of signs illuminated at night. No flashing or animated signs will be allowed. On-site signs attached to buildings, solely for the purpose of identifying the owner or occupant of an industrial or commercial building are permitted as a special exception. The size and number of signs in the Commercial - Industrial district may be increased as a special exception."

GRANTING OF SPECIAL EXCEPTIONS:

The Planning Board may allow Special Exceptions.A request for Special Exception must be made to the Planning Board in writing and it will be acted upon at its next meeting and the finding of the Board must be written the applicant within thirty (30) days and a copy filed with the Town Clerk.

PRINCIPAL'S REPORT

The Chichester Central School open in September with an enrollment of 209 students.

The teacher assignments were as follows:

Grade 1
Mrs. Kathleen St. Germain

Grade 2
Mrs. Virginia Sanborn
Miss Johanna Hassett

Grade 3
Mrs. Sue Williams

Grade 4
Mrs. Deborah Ingram

Grade 5
Mrs. Virginia Carlson

Grade 6
Mrs. Patricia Brown

Grade 7 & 8

Mr. James Fifty
(Science & Math)
Mr. John Farnum
(English & Soc. Studies)

Mrs. Elaine Coffey, Title I tutor, is giving help to several students in the area of language and reading.

Miss Margaret Mitchell is the music instructor for Grades 1-6.We also have a volunteer choral group of grade 7 and 8 students.

Mrs. Sandra Small, speech therapist, is helping students with speech and auditory problems.

Chichester Central School is participating in a Supervisory Union achievement testing program. The results of these tests indicate that our students, on the average, achieve each year academically equal to or above other students in the country.

Many of our staff are attending various workshops. These extra hours spent give them credit for staff development and keep them up to date on new ideas in instruction and innovations.

From funds in a Supervisory Union title program we hope to have use of a part time elementary school counselor. This person would be able to help us in evaluation of handicapped children, writing individual educational programs and counseling older students.

A career educational program is being studied and may be implemented next year.

Many positive things are happening at Chichester Central School. We are adding services for our students but at the same time we all realize that basics are important and we are concentrating on strengthening these.

Respectfully submitted,

RICHARD T. FOWLER
Principal

SUPERINTENDENT'S REPORT

Chichester, New Hampshire

We are continuing our efforts to develop a regional special services center for students. Dr. Alan Pardy was appointed as the director of the center which is called the N.H. Educational Resource Services, Inc. The initial task of surveying the various school districts has been completed; and a proposal has been presented to the school board as to what services the center will be able to deliver during the 1977 - 1978 school year. Dr. Pardy has also assisted us in preparing a special services report that must be filed with the State Department of Education during the month of February. In addition a number of proposals have been filed with the Federal Government for the funding of special programs.

We are in the process of preparing a report relative to the State elementary school minimum standards that were established several years ago. This report as well as the educational programs of the Chichester Central School will be reviewed by a representative from the State Department of Education in the spring of this year.

We are also in the process of completing an in-depth study and discussion of the report that was prepared by the New England Association of Colleges and Secondary Schools when it accredited Pembroke Academy in 1974. A report will be prepared for consideration by the Pembroke School Board. The report will consist of a review of the New England Association recommendations that have already been implemented as well as a recommended time table relative to the implementation of the remaining recommendations.

We are very pleased with the success of the Work Study Program that was established this fall under the direction of Ronald Rush.

The Curriculum Committee is continuing its work toward coordinating an educational program for grades one thru twelve. The Committee will begin to present the results of its work during the coming year.

The Staff Development Committee is being chaired by Virginia Sanborn a member of the Chichester Central School Staff. The system is functioning well in that all of the Staff members have completed individual staff development plans; and have participated in numerous worthwhile activities. The Staff Development Process has been received with considerable enthusiasm.

The new Staff Evaluation process that was discussed last year has been completed; and was implemented last September.

In closing I would like to thank the School Board, School Staff and citizens of Chichester for all that they have done for the students.

Respectfully submitted,

GERALD A. CROTEAU
Superintendent of Schools
